

PEST CONTROL

Please note the Co-op is legally obliged to treat **only** the following pests within the dwellings that it manages

Category 1 pests

These are: **Pharaoh Ants, Mice, Cockroaches, Rats and Wasps**

The Co-op will **NOT** treat the following (and has adopted the policy of the L B Brent on this category of pests).

Moths, Woodlice, Garden Ants, Bed Bugs

The Co-op will **only** arrange for treatment if the occupier is willing to pay for this service*

In treating Category 1 pests, two separate treatments, two weeks apart will occur. In some cases the resident may have to evacuate the dwelling for up to 3 hours
